Direct

☐

Through (*Specify*)

NASA/JOHNSON SPACE CENTER AP/PUBLIC AFFAIRS OFFICE HOUSTON, TX 77058

CC To the Public Affairs Division, NASA Headquarters, Washington, D.C. 20546 for review.

**13. SECURITY GUIDANCE.** The security classification guidance needed for this classified effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended. (*Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. Add additional pages as needed to provide complete guidance.*)

Performance of this contract will not involve the receipt, generation, and storage of classified information at the contractor's facility; therefore, classified material cannot be sent to the contractor under this contract. Classified ADP processing will be involved. Access to classified information will occur only at the user agency (NASA/JSC). Any employee requiring access to classified information/areas must possess a minimum of a "SECRET" personnel security clearance.

Questions regarding security requirements under this RFP for the proposed contract shall be directed to the NASA/JSC Industrial Security Specialist at (281) 483-4441/4028. JSC security and technical personnel will provide security classification guidance if the need arises.

The place of performance will be at JSC and other locations where the requirement is covered by the obligations specified in Section C of the basic contract document.

"THIS DD FORM 254 IS ISSUED FOR PRE-AWARD PURPOSES ONLY."

**14. ADDITIONAL SECURITY REQUIREMENTS.** Requirements, in addition to ISM requirements, are established for this contract. (*If Yes, identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the cognizant security office. Use Item 13 if additional space is needed.*)

☒

Yes

☐

No

(a) National Industrial Security Program Operating Manual, DOD 5220.22-M, dated January 1995; (b) Chapter 4 of the NASA Security Procedures & Guidelines (NPG 1620.1A and/or any revisions) applies to "CNSI" and "ACI" (formerly FOUO) information; and (c) JSC Security Handbooks, Manuals, Regulations, Instructions, and Directives (current editions) for JSC, as well as any other applicable policies and procedures as identified by NASA.

**15. INSPECTIONS.** Elements of this contract are outside the inspection responsibility of the cognizant security office. (*If Yes, explain and identify specific areas or elements carved out and the activity responsible for inspections. Use Item 13 if additional space is needed.*)

☒

Yes

☐

No

As a long-term visitor to NASA/JSC, the contractor will comply with all applicable NASA/JSC security issuances, memorandums, policies/procedures, and regulations as directed. Inspection authority of contractor activities on NASA installations is the responsibility of NASA security officials and will be conducted/coordinated by the JSC Industrial Security Specialist.

**16. CERTIFICATION AND SIGNATURE.** Security requirements stated herein are complete and adequate for safeguarding the classified information to be released or generated under this classified effort. All questions shall be referred to the official named below.

a. TYPED NAME OF CERTIFYING OFFICIAL

Judith Ann Elam
